registered students from four regions

Representing

75

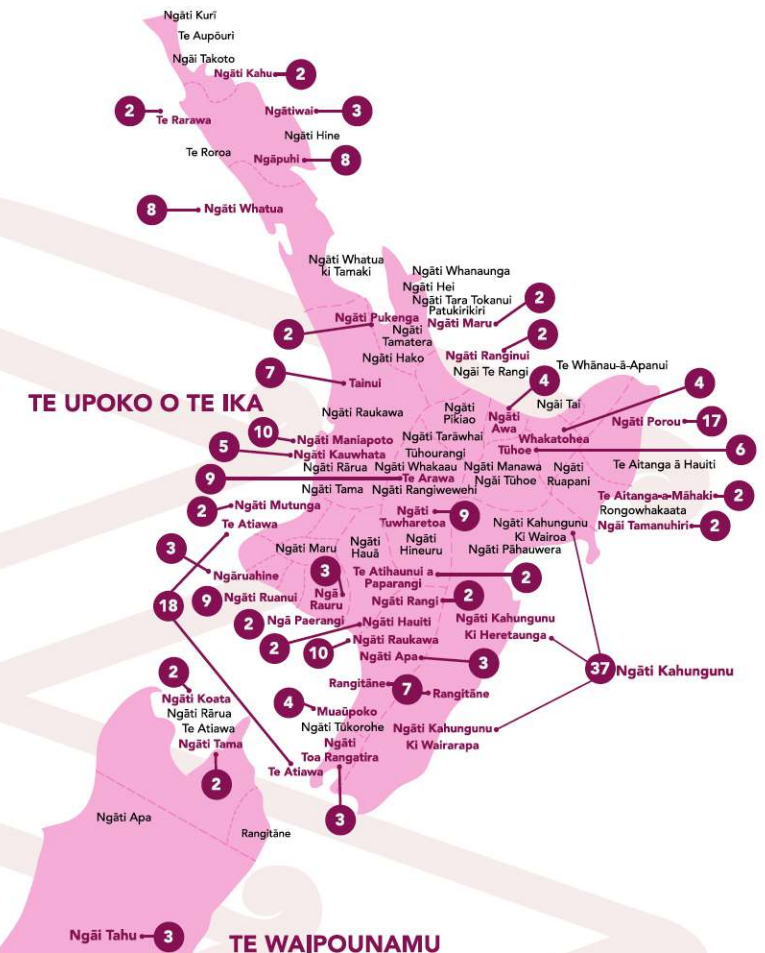

iwi throughout Aotearoa

Over

1200

registered whānau members

Aspirations across over 40 different STEM related professions

# Our Engagement

# Our Engagement

“Best Pūhoro gathering yet. So, so, helpful has given me *100% more confidence*.  
Pūhoro student

*This inspired me to think about doing science after I leave school.*

Pūhoro is the most **inspiring** indigenous **STEM** programme I've heard of.

**We want in!**

Sally-Ann Williams, **Google**

“The **Pūhoro** programme is a **great initiative** for our region”

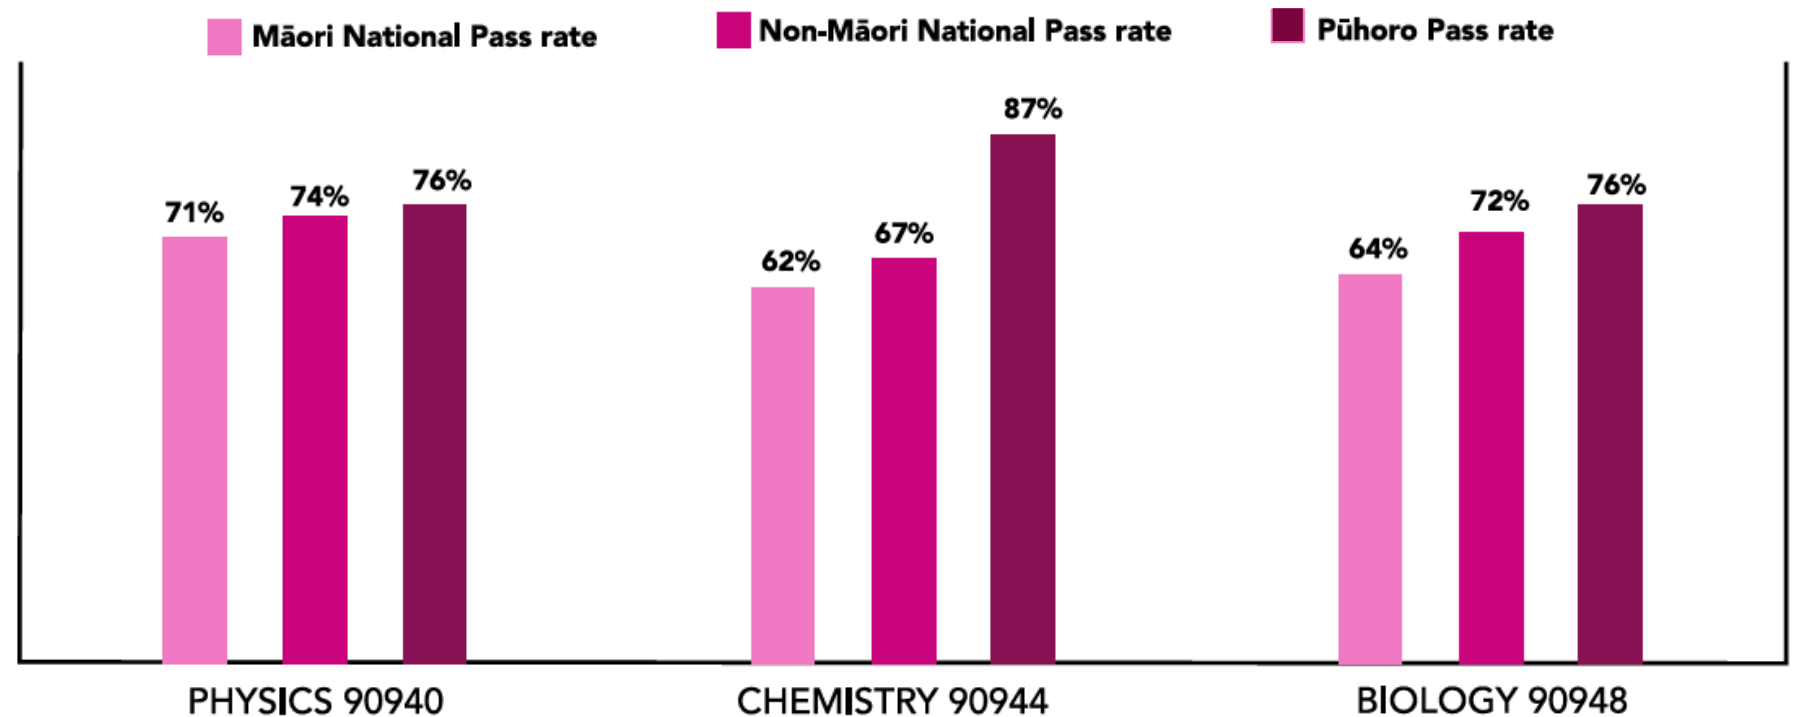

– Adrian Broad,  
Palmerston North City Councillor

**Whānau STEM  
Expo's**

# Our Results

## 2016 – Pilot Year

CORE NCEA SCIENCE EXTERNAL ACHIEVEMENT STANDARDS
